## **Immigration Transparency and Transit Notification Act of 2022**

This bill requires notifications to certain officials before an unaccompanied alien child or a non-U.S. national (*alien* under federal law) without lawful immigration status may be placed in or transported to a state or local jurisdiction. The bill also authorizes the office of the governor of the relevant state to prohibit the placement or transportation.

At least seven calendar days before taking such an action, the Department of Homeland Security (DHS) or the Department of Health and Human Services (HHS) must notify (1) the relevant state governor's office, (2) the state attorney general's office, (3) the county or municipal government, (4) local law enforcement, and (5) federal and state legislators representing the relevant jurisdiction.

The action may not take place if the state governor's office objects no later than three calendar days after receiving the notification. This authority to object shall not apply if the action is to place an unaccompanied child with, or transport the child to, a family member.
