Summary (as of Feb 7, 2022)

Informed Lawmaking to Combat Inflation Act

This bill requires the Congressional Budget Office to provide inflation estimates for certain legislation that is projected to cause an annual gross budgetary effect of at least 0.25% of the projected gross domestic product of the United States.

The estimates must determine whether the legislation will have

- no significant impact on inflation,
- a quantifiable inflationary impact on the consumer price index, or
- a significant impact on inflation that cannot be quantified at the time the estimate is prepared.

The requirement does not apply to legislation that (1) provides for emergency assistance or relief at the request of any state, local, or tribal government; or (2) is necessary for the national security or the ratification or implementation of international treaty obligations.

Actions Timeline

- **Feb 7, 2022:** Introduced in House
- **Feb 7, 2022:** Referred to the Committee on Rules, and in addition to the Committee on the Budget, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.
