### Summary (as of Feb 15, 2022)

#### Ban IRS Biometrics Act

This bill prohibits the Department of the Treasury from requiring taxpayers to provide biometric information as a condition of filing any tax return, receiving any service, or accessing taxpayer information. The bill defines *biometric information* as any information regarding any measurable physical characteristic or personal behavioral trait used to recognize the identity, or verify the claimed identity or location, of an individual, including facial images, fingerprints, and iris scans.

Treasury must also develop a plan for the safe and secure destruction and disposal of any biometric information collected or used prior to the enactment of this bill.
