## **Stop the Nosy Obsession with Online Payments Act of 2022 or the SNOOP Act of 2022**

This bill modifies requirements for third party settlement organizations to eliminate their reporting requirement with respect to the transactions of their participating payees unless they have earned more than \$20,000 on more than 200 separate transactions in an applicable tax period. A *third party settlement organization* is the central organization that has the contractual obligation to make payments to participating payees (generally, a merchant or business) in a third party payment network.

This reverses a provision in the American Rescue Plan Act of 2021 that lowered the reporting threshold to \$600 with no minimum on the number of transactions.
