Long-Term Care Affordability Act

This bill allows the use of tax-exempt retirement plan distributions to pay for long-term health care insurance. Specifically, it excludes such distributions from the gross income of an insured individual up to \$2,500 for per individual in a taxable year.

It also imposes reporting requirements on plans and insured individuals and requires a description of long-term care insurance arrangements and facts sheets for employers and workers.

Actions Timeline

- **Mar 16, 2022:** Introduced in House
- **Mar 16, 2022:** Referred to the Committee on Ways and Means, and in addition to the Committee on Education and Labor, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.
