This joint resolution expresses that Congress

- recognizes that the United States' nuclear testing program and radioactive waste disposal in the Marshall Islands caused irreparable material and intangible harm to the people of those islands,
- apologizes on behalf of the United States to the individuals and families of the Marshall Islands for the hardships they have endured as a result of the U.S. nuclear testing program and radioactive waste disposal, and
- recognizes that it is incumbent on the United States to open dialogue regarding the nuclear legacy of the United States in the Marshall Islands during any negotiation of the Compact of Free Association or its subsidiary agreements.
