### Summary (as of Apr 7, 2022)

#### Employee Access to Worksite Health Services Act

This bill provides that individuals who are eligible to receive qualified items and services at a worksite health clinic may make pre-tax contributions to a health savings account. The bill defines *qualified items and services* to include primary care items and services, physical examinations, immunizations, drugs and drug testing, tests for infectious diseases, preventive care for chronic conditions, hearing, vision, or dental screenings, and mental and behavioral health services.
