### Related Bills

No related bills are listed.

### Summary (as of May 6, 2022)

This bill specifies that a survey used to develop a compensation plan for employees of the Tennessee Valley Authority (which provides low-cost electricity in seven southeastern states) must collect information from private industry in the United States and Canada. Under current law, the survey must collect information about prevailing compensation for relevant roles in private industry; publicly owned electric utilities; and federal, state, and local governments.

### Actions Timeline

- **May 9, 2022:** Referred to the Subcommittee on Water Resources and Environment.
- **May 6, 2022:** Introduced in House
- **May 6, 2022:** Referred to the House Committee on Transportation and Infrastructure.
