Related Bills

No related bills are listed.

Geospatial Support for Atrocity Accountability Act

This bill requires the Department of State to ensure that information and intelligence related to war crimes and atrocities are shared within the State Department and with certain other entities. For example, the State Department's Atrocity Warning Task Force must provide unclassified commercial geospatial imagery to domestic and international courts prosecuting persons responsible for crimes against humanity, if such imagery may provide evidence of such crimes.

Actions Timeline

- **May 12, 2022:** Introduced in House
- **May 12, 2022:** Referred to the House Committee on Foreign Affairs.
