Disaster Resiliency Planning Act

This bill requires the Office of Management and Budget to establish guidance that requires federal agencies to incorporate natural disaster resilience into real property asset management and investment decisions. Specifically, the guidance must direct each agency to incorporate assessments of natural disaster risk information conducted by the agency, such as from vulnerability and other risk assessments, into real property asset management and investment decisions.

Actions Timeline

- **May 24, 2022:** Introduced in House
- **May 24, 2022:** Referred to the House Committee on Oversight and Reform.
