No related bills are listed.

## **Healthy Homes Act**

This bill expands the low-income housing tax credit to include an additional credit amount for healthcare-oriented housing (e.g., low-income buildings that meet certain requirements, e.g., healthcare screening available on building premises, adequate space for physicians to conduct screenings, and telehealth capacity).

The bill directs the Governmental Accountability Office to study the utilization of the low-income housing tax credit with respect to healthcare-oriented housing.
