## Summary (as of Nov 18, 2021)

This resolution encourages people around the world to work to achieve the goal of zero new HIV transmissions, zero discrimination, and zero AIDS-related deaths, in order to end the HIV epidemic in the United States and around the world by 2030.

The resolution supports continued funding for prevention, care and treatment services, and research programs for communities impacted by HIV and people living with HIV in the United States and globally.

The resolution supports continued leadership by the United States in domestic, bilateral, multilateral, and private sector efforts to fight HIV.

Finally, the resolution urges other members of the international community to sustain and scale up their support for and financial contributions to efforts around the world to combat HIV.
