## Facial Recognition Ban on Body Cameras Act

This bill establishes a framework to prohibit federal, state, and local law enforcement agencies from using facial recognition technology on images captured by body-worn cameras.

Specifically, the bill prohibits federal law enforcement agencies from using facial recognition technology or other remote biometric surveillance systems on any image acquired by body-worn cameras of law enforcement officers.

Additionally, the bill requires state and local governments to comply with a similar law or policy as a condition of receiving funds under the Edward Byrne Memorial Justice Assistance Grant program.
