Summary (as of Jul 1, 2022)

Container Missile Notification Act

This bill requires the Office of the Director of National Intelligence (ODNI) to notify Congress if the intelligence community receives intelligence that Russia, China, Iran, or North Korea is deploying (or about to deploy) a missile launcher disguised as or concealed in a shipping container. Currently, ODNI is only required to notify Congress about intelligence that Russia is deploying the Club-K container missile system.
