COVID-19 Whistleblower Protection Act

This bill establishes whistleblower protections for government contractors and private sector workers who may witness waste, fraud, or abuse or be victims of misconduct with respect to a COVID-19 (i.e., coronavirus disease 2019) pandemic-related program, project, or activity. Specifically, employers may not discharge, demote, or otherwise discriminate against such protected individuals who disclose information concerning fraud, misuse, or other misconduct related to COVID-19 program funds. A protected individual may submit to the Department of Labor a complaint alleging a violation of these protections and Labor may adjudicate such complaints and award relief in accordance with the Internal Revenue Service whistleblower procedures.
