## Hydrogen for Industry Act of 2022

This bill requires the Department of Energy (DOE) to establish grant programs to support the use of hydrogen in energy. Specifically, DOE must establish a grant program for projects that demonstrate the uses of hydrogen in heavy industry (e.g., steel, cement, glass, and chemical manufacturing). It also directs DOE to establish a grant program for (1) carrying out projects that demonstrate the end uses of hydrogen; (2) constructing a new commercial-scale facility that will use hydrogen as a fuel or feedstock; or (3) retooling, retrofitting, or expanding an existing facility to enable the use of hydrogen as a fuel or feedstock in industrial end-use applications of hydrogen.

## Actions Timeline

---

- **Sep 29, 2022:** Referred to the Subcommittee on Railroads, Pipelines, and Hazardous Materials.
- **Sep 29, 2022:** Referred to the Subcommittee on Energy.
- **Sep 28, 2022:** Introduced in House
- **Sep 28, 2022:** Referred to the Committee on Science, Space, and Technology, and in addition to the Committees on Energy and Commerce, and Transportation and Infrastructure, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.
