Summary (as of May 20, 2022)

This concurrent resolution declares that a state of emergency exists due to the Russian invasion of Ukraine. It also states that such emergency justifies a waiver of the minimum tonnage requirements for the transport of equipment, materials, or commodities related to humanitarian operations resulting from the invasion. Such requirements apply to cargoes that are transported on ocean vessels and that are procured, furnished, or financed by the United States.

Actions Timeline

- **May 20, 2022:** Introduced in House
- **May 20, 2022:** Referred to the House Committee on Armed Services.
