## Home Defense and Competitive Shooting Act of 2021

This bill removes short-barreled rifles (barrels of less than 16 inches in length) from the definition of firearms for purposes of the National Firearms Act. It also eliminates the prohibition on the transportation of such rifles in interstate commerce and treats persons who acquire or possess a short-barreled rifle as meeting the registration or licensing requirements for such rifle where such requirements are determined by reference to the National Firearms Act.

The bill preempts state or local laws that impose a tax or recordkeeping requirements on short-barreled rifles.

The Department of Justice must destroy records relating to the registration of certain rifles within one year after the enactment of this bill.
