Summary (as of May 17, 2023)

Reclaiming the Solar Supply Chain Act of 2023

This bill requires the Department of Energy (DOE) to establish a program that awards grants and direct loans to support a solar component manufacturing supply chain. Under the program, DOE must award grants and loans to manufacturers and other eligible entities for (1) constructing new facilities that manufacture solar components; and (2) retooling, retrofitting, or expanding existing facilities that manufacture solar components.

## Actions Timeline

---

- **May 17, 2023:** Introduced in Senate
- **May 17, 2023:** Read twice and referred to the Committee on Energy and Natural Resources.
