Maternal Health for Veterans Act

This bill requires the Department of Veterans Affairs (VA) to report annually through FY2028 on its activities relating to the coordination of maternity health care. The reports must also include (1) data on the maternal health outcomes of veterans who receive medical care or services from the VA or a non-VA provider that is authorized to provide care or services under VA programs, and (2) VA recommendations to improve the maternal health outcomes of veterans.

The reports must be made publicly available.

The bill also authorizes funding through FY2028 for VA programs relating to the coordination of maternity health care.
