### Summary (as of Jul 13, 2023)

### Emerging Pathogen Preparedness Program Authorization Act

This bill establishes a program in the Food and Drug Administration's Center for Biologics Evaluation and Research to support the development and approval of biological countermeasures. Authorized activities include the development of quality measures for countermeasures, surveillance programs to monitor countermeasures, and research and development of platform vaccine technology to support emergency use authorization requests.

### Actions Timeline

- Jul 13, 2023:** Introduced in Senate
- Jul 13, 2023:** Read twice and referred to the Committee on Health, Education, Labor, and Pensions.
