Recruiting Families Using Data Act of 2023

This bill requires state plans for child welfare services to provide for the development and implementation of a family partnership plan to improve foster care placement stability, increase rates of kinship placements, and align the composition of foster and adoptive families with the needs of children in or entering foster care.

The Children's Bureau of the Office of the Administration for Children & Families also must include in its annual report information from states about the number, demographics, and characteristics of foster and adoptive families as well as a summary of the challenges related to recruiting and being foster or adoptive parents.
