## Summary (as of Oct 24, 2023)

### SUPPORT for Patients and Communities Reauthorization Act of 2023

This bill reauthorizes through FY2028 programs and activities relating to mental health and substance use disorder services.

Reauthorized programs and activities include

- grants for trauma support and mental health services for children in schools,
- programs that enable access to drugs or devices that temporarily reverse opioid overdoses,
- residential treatment programs for pregnant and postpartum individuals, and
- training and workforce development for providers of mental health and substance use disorder services.

The bill also modifies certain requirements relating to the regulation of controlled substances and the provision of mental health and substance use disorder services, including by requiring (1) the issuance of federal guidance to support at-home safe disposal systems for drugs, (2) studies to evaluate the efficacy of opioid treatment through buprenorphine and methadone, and (3) evaluations of the use of certain block grants by states to treat individuals with serious mental illnesses.
