This bill provides for the designation, withdrawal, conveyance, exchange, sale, or disposal of certain lands in Nevada.

Further, the bill

- designates specified parcels of federal land as wilderness and as components of the National Wilderness Preservation System;
- establishes a federal complex for specified Bureau of Land Management, Forest Service, U.S. Fish and Wildlife Service, Bureau of Reclamation, and Bureau of Indian Affairs offices or headquarters in Nevada; and
- requires the issuance of corrective patents for private lands adjacent to public land in White Pine County when a cloud on the title demonstrates that the private land had been patented before 1976 and the correction is for five acres or less.
