Summary (as of May 15, 2023)

Granting Remaining Applications Not Treated Efficiently or Delayed Act of 2023 or the GRANTED Act of 2023

This bill provides for the automatic approval of complete applications for easements, rights-of-way, or leases to install, construct, modify, or maintain communications facilities on federal property if the applicable agency fails to approve or deny the application within the 270-day time frame that applies under current law. The bill also establishes criteria for determining when an application is considered complete.

Actions Timeline

- **May 19, 2023:** Referred to the Subcommittee on Communications and Technology.
- **May 16, 2023:** Referred to the Subcommittee on Economic Development, Public Buildings, and Emergency Management.
- **May 15, 2023:** Introduced in House
- **May 15, 2023:** Referred to the Committee on Transportation and Infrastructure, and in addition to the Committee on Energy and Commerce, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.
