Summary (as of May 18, 2023)

Improving Newborn Formula Access for a Nutritious Tomorrow Act of 2023 or the INFANT Act of 2023

This bill requires a state to select two infant formula manufacturers as suppliers under the competitive bidding process for the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC).

Specifically, the bill redefines *competitive bidding* to mean a procurement process under which a state agency selects two manufacturers for a product; a state may designate one of the manufacturers as the primary manufacturer and one as the secondary manufacturer. Currently, a state may only select a single infant formula manufacturer as a supplier.
