## **Advancing Student Services In Schools Today Act or the ASSIST Act**

This bill establishes programs and requirements to support the provision of mental health and substance use disorder services at schools.

Specifically, the bill provides for a 90% Federal Medical Assistance Percentage (i.e., federal matching rate) under Medicaid for services that are furnished by mental health and substance use disorder providers at schools or school-based health centers. Qualifying services include those provided by school counselors, social workers, and psychologists.

The bill also establishes a grant program to increase the number of mental health and substance use disorder providers at schools, colleges, and other educational institutions.
