Bill	Relationship	Last Action
118 HR 4697	Related bill	Jul 21, 2023: Referred to the Subcommittee on Health.
118 HR 4421	Related bill	Jul 19, 2023: Ordered to be Reported (Amended) by the Yeas and Nays: 28 - 23.

This bill requires the Administration for Strategic Preparedness and Response (ASPR) to develop a strategic plan that supports rapid deployment of diagnostic tests during public health emergencies.

Specifically, ASPR must develop and periodically update a plan for rapid development, procurement, and distribution of diagnostic tests during public health emergencies, including laboratory and at-home tests. The plan must promote collaboration among government agencies and private sector stakeholders (e.g., manufacturers of diagnostic tests).
