Summary (as of Jun 12, 2024)

Nutrition Red Tape Reduction Act

This bill expands eligibility for the Community Eligibility Provision (CEP) of the school lunch program. (The CEP allows eligible schools, groups of schools, and school districts the option to offer breakfast and lunch at no cost to all enrolled students without collecting household applications.)

This bill lowers the threshold for a school to participate in the CEP to an identified student percentage (ISP) of at least 25%, from 40%. The ISP is the percentage of students who are eligible for free school meals without a household application, primarily those who are directly certified through the Supplemental Nutrition Assistance Program (SNAP).
