The bill requires an annual report that (1) includes a list of programs receiving funding; and (2) analyzes the efficacy of these programs in providing incarcerated workers with valuable job skills, improving their quality of life, and increasing their job prospects upon release.

Additionally, the bill reauthorizes through FY2029 grant programs for (1) evaluating and improving educational methods at prisons, jails, and juvenile facilities; (2) offender reentry demonstration projects; and (3) career training demonstration projects.
