Summary

(as of Aug 8, 2023)

This resolution urges the development and implementation of a safe and responsible regional artificial intelligence (AI) strategy for the Western Hemisphere to protect and advance civil rights, civil liberties, privacy, equal opportunities, and access to critical resources or services. The resolution also calls on the United States to invest and leverage funding from its economic and international development agencies in research and development of AI education, training, and infrastructure throughout the Western Hemisphere.
