This concurrent resolution expresses support for the women and men of Iran who are (1) participating in the current protests to defend their fundamental human rights, and (2) risking their safety to speak out against the human rights abuses committed by the Iranian regime.

The resolution condemns (1) the brutal beating and death of Mahsa Amini; and (2) the violent suppression by the Iranian regime of women and men participating in the current demonstrations, including children, and calls for transparent accountability for all killings of protesters by Iranian security forces.
