No related bills are listed.

Summary (as of Mar 15, 2023)

This bill sets out requirements for documenting proposed amendments to the Constitution and rescissions of prior proposals that are submitted to Congress by state legislatures.

Specifically, the Senate and the House of Representatives must (1) make the submissions available online in a searchable format that is organized by state of origin and year of submission; and (2) provide certain information about each submission, including whether the submission proposes a new amendment or rescinds a prior proposal and the citation for the submission in the Congressional Record.
