### Summary (as of Jun 27, 2024)

#### Low-Income Taxpayer Clinic Modernization Act of 2024

This bill revises funding requirements for low-income taxpayer clinics (i.e., clinics that assist taxpayers with tax return preparation). It eliminates the \$100,000 grant funding cap per clinic and authorizes the Internal Revenue Service to lower the matching fund requirement (but not below 25%) if lowering such requirement would make services more accessible to taxpayers.
