### Summary (as of Mar 28, 2023)

#### Government Spectrum Valuation Act

This bill requires the National Telecommunications and Information Administration to periodically estimate the value of specified electromagnetic spectrum that is allocated to federal agencies. Additionally, each federal agency that is allocated a portion of that spectrum must include the estimated value of its allocation in its annual budget and financial statement.

### Actions Timeline

- **Mar 28, 2023:** Introduced in Senate
- **Mar 28, 2023:** Read twice and referred to the Committee on Commerce, Science, and Transportation.
