## **Summary** (as of Feb 6, 2025)

---

This bill allows a national of the Czech Republic to qualify for E-1 nonimmigrant status if the Czech Republic provides similar nonimmigrant status to U.S. nationals. E-1 classification allows nationals of certain countries (i.e., those with a treaty of commerce and navigation with the United States, those under a qualifying international agreement, or those deemed to qualify through statute) to be admitted solely to engage in international trade, along with their families and employees.
