## Summary (as of Mar 24, 2025)

This resolution supports federal investment in public K-12 schools, affirms that the Department of Education (ED) plays a vital role in the public education system, and states that public education funding should not be diverted (e.g., through the use of vouchers) to privately run K-12 schools.

The resolution also condemns any executive or legislative action to (1) dismantle or relocate ED or any of its major offices; or (2) reduce federal funding for public education, block federal grants for education, or transfer funding burdens for education to state and local governments.
