## **Citizen Legislature Anti-Corruption Reform of Elections Act or the CLEAN Elections Act**

This bill establishes requirements for nonpartisan redistricting.

States must conduct congressional redistricting using a plan developed by a nonpartisan independent redistricting commission, beginning with the 2020 census.

A state may not use federal funds provided for election administration purposes unless it certifies to the Election Assistance Commission that it conducts redistricting for its state legislative districts using a plan developed by a nonpartisan independent redistricting commission.
