## **Preventing Medicare Telefraud Act**

This bill establishes conditions for payment of certain telehealth services, laboratory tests, and durable medical equipment under Medicare.

Specifically, the bill conditions payment for certain high-cost laboratory tests and durable medical equipment that are ordered via telehealth on at least one in-person visit during the preceding six-month period. Additionally, practitioners must submit claims for separately billable telehealth services under the practitioner's unique national provider identification number.

**Mar 3, 2025:** Introduced in House

- **Mar 3, 2025:** Referred to the Committee on Energy and Commerce, and in addition to the Committee on Ways and Means, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.
