Summary (as of Mar 14, 2025)

American Cybersecurity Literacy Act

This bill requires the National Telecommunications and Information Administration to carry out a campaign to educate the public on cybersecurity best practices. The campaign must provide information on identifying cybersecurity risks and encourage the public to take certain actions, such as changing default passwords and declining unnecessary privilege requests from mobile applications.

Actions Timeline

- **Mar 14, 2025:** Introduced in House
- **Mar 14, 2025:** Referred to the House Committee on Energy and Commerce.
