Summary (as of Sep 18, 2025)

Child Care Access Means Parents In Schools Reauthorization Act or the CCAMPIS Reauthorization Act

This bill reauthorizes through FY2031 and revises the Child Care Access Means Parents in School Program. The program awards grants to support the participation of eligible low-income parents in postsecondary education through the provision of campus-based child care services.

Among other revisions to the program, the bill increases the minimum and maximum grant amounts, allows grant funds to be used for additional purposes (e.g., child care subsidies and support services), and specifies additional grant application requirements.
