Summary (as of Jan 9, 2025)

Organ Donation Referral Improvement Act

This bill requires the Office of the Assistant Secretary for Planning and Evaluation (ASPE) in the Department of Health and Human Services to conduct a study on hospitals' use of electronic automated referrals for organ donations. The bill defines *electronic automated referral* as an electronic system that uses electronic health records to identify patients who are potential organ donors and automatically refers those patients to organ procurement organizations.

The ASPE must include specified components in the study, including identifying benefits, reviewing best practices, and developing recommendations for the use of electronic automated referrals for organ donations.
