Protection of Women in Olympic and Amateur Sports Act

This bill requires certified national governing bodies (NGBs) of amateur sports (e.g., USA Gymnastics) to prohibit a person whose sex is male from participating in an amateur athletic competition that is designated for females, women, or girls.

Under the bill, *male* means an individual who has, had, will have—or would have, but for a developmental or genetic anomaly or historical accident—the reproductive system that at some point produces, transports, and utilizes sperm for fertilization.
