This resolution directs the Clerk of the House of Representatives to make several corrections in the engrossment of H.R. 1 (One Big Beautiful Bill Act).

Specifically, the corrections strike provisions from the bill that

- make a conforming amendment to the Low-Income Home Energy Assistance Act;
- reauthorize, and extend funding for, the Department of Agriculture's biobased markets program (i.e., BioPreferred Program) through FY2031;
- provide funding to the Department of Defense (DOD) for various intelligence-related activities and equipment, including enhancements to military intelligence programs;
- provide funding to DOD for exportable low-cost cruise missiles;
- provide funding for DOD to convert Ohio-class submarine tubes to accept additional missiles;
- specify that revisions to a land use plan may not prevent or delay the Department of the Interior from leasing certain federal land for oil and natural gas development;
- nullify the Bureau of Land Management's Public Land Order No. 7917 for Withdrawal of Federal Lands; Cook, Lake, and Saint Louis Counties, MN that was published on January 31, 2023;
- reinstate certain hardrock mineral leases in the Superior National Forest in Minnesota;
- increase the penalty for aiding and abetting the understatement of tax liability with respect to the employee retention tax credit (ERTC) by a COVID-ERTC promoter and make other changes related to the ERTC; and
- specify that provisions in the bill regarding certain Department of Health and Human Services regulations also apply to successor regulations.
