119 S 1602	Related bill	Mar 20, 2026: Referred sequentially to the Committee on Commerce, Science, and Transportation, pursuant to the order of March 3, 1988, for 30 calendar days excluding any day on which the Senate is not in session, and if not reported by that day, the Committee be discharged from further consideration thereof, and the bill be placed on the calendar.

Mathematical and Statistical Modeling Education Act

This bill requires the National Science Foundation (NSF) to take certain actions to increase mathematical and statistical modeling education in elementary and secondary schools.

First, the NSF must make competitive awards to institutions of higher education and nonprofit organizations for research and development to support high-quality mathematical modeling education (e.g., data science and computational thinking) in schools. This authority to provide awards expires on September 30, 2029.

Second, the NSF must seek to enter into an agreement with the National Academies of Sciences, Engineering, and Medicine to study and report on mathematical and statistical modeling education in schools.
