Travel Mask Mandate Repeal Act of 2025

This bill prohibits federal agencies from imposing a mandate related to COVID-19 that requires the use of face masks on conveyances (e.g., planes, trains, and buses) and at transportation hubs.

Further, the bill nullifies (1) the emergency order issued by the Centers for Disease Control and Prevention (CDC) on January 29, 2021, that mandates such use of face masks on public and commercial conveyances and at transportation hubs, and (2) orders and directives of the Transportation Security Administration (TSA) that relate to the CDC order.

As background, the CDC and TSA ceased enforcement of the emergency order following an April 18, 2022, court order. Further, the COVID-19 public health emergency expired on May 11, 2023.
