This bill increases payments and establishes certain requirements to support integrated behavioral health services under Medicare.

Specifically, the bill increases payments for integrated behavioral health services that are provided by physicians under Medicare for 2027-2029, with payments increased by 175% in 2027, 150% in 2028, and 125% in 2029.

The bill provides funds for FY2025-FY2029 for the Centers for Medicare & Medicaid Services to contract with entities to provide technical assistance to primary care practices that want to adopt models for behavioral health integration.
