119 HR 1768	Related bill	Mar 3, 2025: Referred to the Committee on Energy and Commerce, and in addition to the Committees on Ways and Means, the Budget, the Judiciary, and Education and Workforce, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.

Securing Semiconductor Supply Chains Act

This bill requires the SelectUSA program to solicit comments from state economic development organizations regarding federal efforts to increase foreign direct investment in semiconductor-related manufacturing and production. SelectUSA must then report to Congress on such comments and the strategies that SelectUSA may employ to increase such investment and to secure the U.S. semiconductor supply chain.

SelectUSA is a Department of Commerce program established to coordinate federal efforts to attract and retain business investment in the United States.
